This exceptional 386 m² country estate perfectly blends Mediterranean charm with multi-functional living, set within nearly 18,000 m² of breathtaking grounds. At the heart of the estate lies an expansive, multi-layered landscaped garden, complete with an olive grove, a peaceful stream, and a scenic pond. The ultimate centerpiece of the outdoor area is a beautifully designed, courtyard-style swimming pool zone. This private oasis is thoughtfully structured around its four corners, featuring a dedicated outdoor shower and bathroom, a traditionally tiled and fully fitted summer kitchen, a generous shaded dining area for large family gatherings, and a fully glazed pool bar and games lounge. This entertainment hub connects directly to a double garage, which offers excellent potential for transformation into extra living space.
